- Do not store in temperatures above 120˚F (48.9˚C)
- Shelf Life: 2 years when stored in unopened container
- Freeze/thaw: Protect from freezing

3. INSTRUCTIONS FOR USE

ODOR CONTROL

Soft Surfaces: Spray the soiled area with full strength Tarkett Home Multi-Surface Flooring Cleaner until wet. Agitate into fibers with a brush. Extract with clear hot water or hot water mixed with a CRI approved rinsing agent after 8-10 minutes of dwell time. Accelerate drying with air moving units.

Hard Surfaces (ie., vinyl, laminate, tile, or wood): Lightly spray full strength Tarkett Home Multi-Surface Flooring Cleaner onto contaminated area and wipe clean with a damp cloth.

GENERAL PURPOSE CLEANING

Full Strength: Spot Cleaning: Pre-spray surface areas to be cleaned until slightly wet, agitate with brush, let dwell for 8-10 minutes, blot with damp cloth or remove with extractor. For hard surfaces, wipe clean with a damp cloth.

Diluted 32 oz. per Gallon of Water: Hot Water Extraction Deep Cleaning: For carpeted floors and textiles, pre-spray floors until slightly wet. Agitate into fibers, allow a 10-minute dwell time, and then extract with clear hot water or hot water mixed with a CRI approved rinsing agent. Accelerate drying time with air movers.

Diluted 13 oz. per Gallon of Water: Interim Low Moisture Maintenance: For carpeted floors and textiles, pre-spray entire surface area until slightly wet, agitate with CRB and allow to dry. Follow with vacuuming during regular cleaning cycle.

Diluted 1 oz. per Gallon of Water: Hard Surface Damp Mopping: Clean the surface with a microfiber mop.
