

Schluter®-SHELF-E

Schluter®-SHELF-E is a corner shelf designed for tiled walls. The shelf is made of either brushed stainless steel, or color-coated aluminum in a choice of 9 TRENDLINE colors. SHELF-E features 3/32" *(2 mm)* -thick anchoring tabs which allow for easy installation either in tandem with tile or as a retrofit application. Matching KERDI-DRAIN and KERDI-LINE grates are also available.

Triangular Corner Shelf
